Game Ball/Warm-ups: We will provide at least 10 minutes to warmup. Teams can stretch in hallway but should be ready to take the court immediately after the previous game ends. We will use Baden game ball. Boys Town warmup balls will be available (both boys and girls) to the Iowa teams. Nebraska teams please bring your own warmup balls.

Arrival/Departure/Locker Rooms: Teams can arrive whenever they would like. If you arrive before the start of the prior game your locker room may not be ready – if that’s the case, we will find a spot for you in the stands until the locker room is ready. We ask that you clear out of your locker room within 30 minutes of your game ending. You can stay if you like but the locker rooms need to be cleaned and setup for next team.

Teams MUST arrive at the back entrance of Sokol Arena. That entrance is located off Burt St – it is labeled “Entrance 4”. Only people on the team roster list will be allowed in this gate. Team support personnel can also enter through these gates if they are on your team list.

Trainer: There will be a trainer on-site and available for all teams to use provided by Atletico. Water will be provided at each bench however no cups. This is only to fill up water bottles that you bring.

Admission: Admission will be \$10 – these are good for all day / all games. RCC has different pricing at the school – anyone for that game buying tickets at the arena will charged the \$10. Anyone not on the team list or the pass list will need to buy a ticket. Please let your fans know we will ONLY be accepting CASH – there is an ATM at the entrance of the arena. Please bring your pre-sale money and extra tickets with you Saturday and give to Ron – let me know if you are sending school check.

Student Sections: Student is permitted – we ask that they be behind the benches... One section can also be on the north baseline if you so choose.

Cheerleaders: Cheerleaders will be let in through the main gate if they are in uniform: let me know if you want your dance team to perform at halftime.
